Dear Students!

The University Authorities and the Dean's Office of the Faculty of Foreign students of Danylo Halytsky Lviv National Medical University (LNMU) want to inform you, that within all the period of the full-scale war of Russia against Ukraine our University has been working in normal mode and did not stop providing educational and organizational services.

We want to confirm and to assure you that the University will continue to provide educational services to all students in full!

Now, the Complex Practically-Oriented Qualification Examination and examination sessions has been finished at the University.

The admission process for 2022/2023 academic year has been started, The appropriate agreements have been signed with partners' organizations in order to ensure the admission process in the remote format for foreign citizens in the coming 2022/2023 academic year.

The University is completely ready and plans to start offline studies from September 2022, if the situation stabilizes and the Order of the Ministry of Education and Science of Ukraine is issued.

The University authorities would like to attract your attention to the fact that the University policy is not aimed at expelling or transferring students to another Higher Educational Institutions or other countries. Our University is not and was not the author of unjustified expulsion and transfer of students to other educational institutions both in Ukraine and abroad.

The University Authorities and the Dean's Office of the Faculty of Foreign students ask students not to succumb to provocations or baseless misleading proposals to transfer to free economic zones of other countries in order to save your time and money.

Dean

of the Faculty of Foreign Students
