

## **Hostel**

University provides hostel accommodation for foreign students.

The students' hostels are located not far from the main academic buildings. Students can be accommodated in 4 hostels with everything needed for studying (including internet connection and reading rooms), everyday life (with canteens, cafes, the sewing and footwear work-shops, the barber's and the laundry open) and rest ( gyms available)

Rooms are fully furnished and consist of an apartment like system with a two bed and a three bed room with an attached hygienic facilities. On each floor there is a common hall and a common kitchen for cooking.

Hostel rooms come furnished with beds, mattress, pillows, blanket, one cupboard per room and one table and chair per room. Inhabitants get a weekly change of bed-sheet and pillow case. Hot water is available. All rooms are centrally heated. A plumber, carpenter and electrician are available on call.

Admission to the Hostel is competitive. It is based on first come-first serve and subject to availability. Students residing in the hostel sign an annual contract and are expected to follow the rules of the hostel; which include closing of the hostel gate at 11.00 pm, registering all visitors to the hostel, not making noise and showing consideration to fellow residents in the hostel.
