

Dear colleagues,

We would like to draw your attention to a new opportunity announced by FCDO in Energy Innovation Networking in Ukraine. Innovate Ukraine is a funding competition which aims to support and develop the energy innovations which will aid the recovery and restoration of Ukraine. Innovate Ukraine makes available up to £10m to support developing highly innovative, sustainable energy technologies and business models which can specifically support the recovery of Ukraine's energy system.

We encourage you to initiate discussions with your twins to explore the opportunity of applying jointly for the project.

More details you may find at <https://innovate-ukraine.b2match.io/>
