THE LATIN LANGUAGE

HISTORY OF THE DEPARTMENT

On August 20, 2013, the department of the Latin language was merged with the Department of Foreign Languages, and the name of the department was changed to "Latin and foreign languages department".

Department of the Latin language was founded in 1944. By 1975 it was the part of the dentistry faculty, since 1975 – the part of the sanitary (health-care) one. Since 1994 the department has belonged to the medicine faculty № 1.

Throughout the period of its existence there were the following heads of the department: Senior Lecturer M. H. Panchuk (1944-1955), PhD, Associate Professor Ya. N. Korzhynskyi (1955-1962), PhD, Associate Professor M. H. Kazanovskyi (1962-1979), Professor S. Ya. Sharypkin (1979-1996), PhD, Associate Professor L. Yu. Smolska (1996-2016). Since 2016 the Department has been headed by PhD, Associate Professor P. A. Sodomora.

The following qualified specialists - graduates of Classical Philology of Ivan Franko Lviv National University such as Professor A. O. Sodomora, PhD M. Yo. Vrublevska, Associate Professors A. H. Stupinska, V. M. Voloshchuk, E. V. Drushkevych, PhD O. H. Pylypiv were working at the Department for all the period of its existence.

Scientific, translation and literary activity of Professor A. O. Sodomora (1964 - 2000), who is a leading specialist in ancient science, famous translator, member of the Shevchenko Scientific Society, member of the National Union of Writers of Ukraine, winner of M. Rylskyi prize, Antonovyches prize, M. Vozniak prize, H. Kochur prize, M. Zerov prize, has been highly appreciated by the Ukrainians and foreigners.

Since 1976 the department has been providing significant work to enhance terminology orientation course of the Latin language and its professional motivation. This course has been transformed into the course of the Latin language and medical terminology.

EDUCATIONAL WORK OF THE DEPARTMENT

The Latin language is taught for the first-year students of all faculties, including the faculty of foreign students and students of the extramural department.

Since 2003 the Department is supporting in teaching the academic discipline "The Latin language" for preparation specialists in "Pharmacy" and "Clinical Pharmacy".

The Department has worked out seven typical curricula for the first year students of medical, dentistry and pharmaceutical faculties.

In 2009, 2010, 2014, 2015 and 2016 the Department held All-Ukrainian student competition in Latin for students of medical, dentistry and pharmaceutical faculties.

Lecturers of the Department had trained 8 winners of All-Ukrainian competition in the Latin language, three of them won the competition, which took place in Poltava (2005, 2006, 2013).

There is a student research group at the Department, members of which participate in the University Student Scientific Conference every year.
