

The activity of medico-legal clinic

Danylo Halytskyy National Medical University of Lviv together with Lviv Trade and Economic University launched first medico-legal clinic in Ukraine on the initiative of the Department of Medical Law of the Post-Graduate Education Faculty on October 5, 2016.

Goals of medico-legal clinic:

- in-depth study of medical law by medical students and law students;
- free primary legal aid for the provision of human rights in the field of health care, in particular the provision of legal information, consultations, legal clarifications, statements, complaints and other legal documents (other than procedural documents.)

Consultants of medico-legal clinic are medical students of 3rd – 5th courses studying at Danylo Halytskyy National Medical University of Lviv and law students of 4th – 5th courses studying at the law schools of the Lviv universities. Work in the clinic is carried out under the guidance of the Department of Medical Law professors.

Types of medico-legal clinic's activities:

- legal consultations provision;
- interactive classes, involving medical students and law students conduction;
- activities dedicated to the All-Ukrainian Human Rights Week joint conduction by medical students and law students in the field of health care;
- law-enforcement activities joint conduction by medical students and law students.

Advantages for the students of the involvement in medico-legal clinic:

1. deepening of theoretical knowledge on medical law and improvement of practical skills;
2. provision of free primary legal aid to the population;
3. acquiring practical experience in the specialty for law students and raising the level of legal awareness for medical students;
4. improvement of communication skills;
5. opportunity to participate in various law-educational activities in the field of medical law, human rights, public health, bioethics.

Medico-legal clinic takes place **from October 1 till June 1.**

After the clinic completes, each consultant will receive a **certificate** attesting participation in the activities of medico-legal clinic.

Medico-legal clinic operates on the basis of the Department of Medical Law of Danylo Halytsky National Medical University of Lviv. It is located at **12 Zelena str., Lviv, Ukraine.**
