Points from the discipline for the applicant of the second (master's) level of higher education that have successfully completed the program are converted into a traditional 4-point scale according to the absolute criteria, which are given in the table below:

Points in the discipline	Score on a 4-point scale
From 170 to 200 points	5
From 140 to 169 points	4
From 139 points to the minimum number of points that a graduate student must score	3
Below the minimum number of points that must be scored by the graduate student	2

The objectivity of the evaluation of the educational activity of the second (master's) level of higher education is checked by statistical methods (correlation coefficient between the ECTS assessment and the assessment on a national scale).
