GENERAL ALGORITHM OF STAGE PERFORMANCE

FOR THE EDUCATOR:

1. Greet, name (identify) yourself to the examiner.

2. Get the task, read it carefully.

3. Perform reports on the clinical situation.

4. Announce the result according to the algorithm.

5. Get a grade for an individual exam sheet.

6. At the signal to go to another stage according to the route list.

7. Task execution time - 10 minutes.
