4. Situational task to test the acquired skills and abilities: conclusion based on the results of a statistical study (correlation)	14 points	14 points	14 points	14 points
Total	50 points	56 points	62 points	80 points

Determining the number of points that a student scored in a discipline

The grade in the discipline is determined as the sum of points for the current educational activity (at least 72) and points for the exam (at least 50).

Discipline points for students who have successfully completed the program are converted into a traditional 4-point scale according to the absolute criteria shown in the table:

Discipline points	Evaluation on a 4-point scale
From 170 to 200 points	5 (excellent)
From 140 to 169 points	4 (good)
From 122 to 139 points	3 (satisfactory)
Below the minimum number of points that the student must score	2 (unsatisfactory)
